

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

The Lord is my shepherd ; I shall not want.

He maketh me to lie down in green pastures : he leadeth me beside the still waters.

He restoreth my soul : he leadeth me in the paths of righteousness for his name's sake.

Yea, though I walk through the valley of the shadow of death, I will fear no evil : for thou art with me ; thy rod and thy staff they comfort me.—*Ps. xxiii. 1-4.*

Then said Jesus unto them again, Verily, verily, I say unto you, I am the door of the sheep.

All that ever came before me are thieves and robbers : but the sheep did not hear them.

I am the door : by me if any man enter in, he shall be saved, and shall go in and out, and find pasture.

The thief cometh not, but for to steal, and to kill, and to destroy : I am come that they might have life, and that they might have it more abundantly.—

I am the good shepherd, and know my sheep, and am known of mine.

As the Father knoweth me, even so know I the Father : and I lay down my life for the sheep.

And other sheep I have, which are not of this fold : them also I must bring, and they shall hear my voice ; and there shall be one fold, and one shepherd.

Therefore doth my Father love me, because I lay down my life, that I might take it again.—

Almighty God, thy piercing eye
Strikes through the shades of night,
And our most secret actions lie
All open to thy sight.

There's not a sin that we commit,

Against thy judgment day.

Upward, I dare not look ;
Pardon my sins before I die,
And blot them from thy book.

There was a man sent from God, whose name was John.

The same came for a witness, to bear witness of the Light, that all men through him might believe.

He was not that Light, but was sent to bear witness of that Light.

That was the true Light, which lighteth every man that cometh into the world.

He was in the world, and the world was made by him, and the world knew him not.

He came unto his own, and his own received him not.—*St. John i. 6-11.*

I am the true vine, and my Father is the husbandman.

Every branch in me that beareth not fruit he taketh away: and every branch that beareth fruit, he purgeth it, that it may bring forth more fruit.

Now ye are clean through the word which I have spoken unto you.

Abide in me, and I in you. As the branch cannot bear fruit of itself, except it abide in the vine; no more can ye, except ye abide in me.—*John xv. 1-4.*

 To keep His statutes still !
 Oh that my God would grant me grace,

 Nor act the liar's part.
 Order my footsteps by Thy word,

Sun of my soul, Thou Saviour dear,
 It is not night if Thou be near ;
 O may no earth-born cloud arise
 To hide Thee from Thy servant's eyes.

 Be my last thought how sweet to rest
 For ever on my Saviour's breast.
 Abide with me from morn till eve,
 For without Thee I cannot live ;
 Abide with me when night is nigh,
 For without Thee I dare not die.
 Come near and bless us when we wake,
 Ere through the world our way we take ;

 We lose ourselves in Heaven above.

FORTY-FIRST WEEK.

Monday.

LEARN—

As for God, his way is perfect : the word of the Lord is tried : he is a buckler to all those that trust in him.

For who is God save the Lord ? or who is a rock save our God ?

It is God that girdeth me with strength, and maketh my way perfect.

He maketh my feet like hinds' feet, and setteth me upon my high places.

He teacheth my hands to war, so that a bow of steel is broken by mine arms.

Thou hast also given me the shield of thy salvation : and thy right hand hath holden me up, and thy gentleness hath made me great.—*Ps. xviii, 30-35.*

FORTY-SECOND WEEK**Monday.****LEARN—**

But thou, when thou prayest, enter into thy closet, and when thou hast shut thy door, pray to thy Father which is in secret; and thy Father which seeth in secret shall reward thee openly.

But when ye pray, use not vain repetitions, as the heathen do: for they think that they shall be heard for their much speaking.

Be not ye therefore like unto them: for your Father knoweth what things ye have need of, before ye ask him.—*Matt. vi, 6-8.*

FORTY-THIRD WEEK.

Monday.

LEARN—

Therefore I say unto you, Take no thought for your life, what ye shall eat, or what ye shall drink; nor yet for your body, what ye shall put on. Is not the life more than meat, and the body than raiment?

Behold the fowls of the air: for they sow not, neither do they reap, nor gather into barns; yet your heavenly Father feedeth them. Are ye not much better than they?

Which of you by taking thought can add one cubit unto his stature?

And why take ye thought for raiment? Consider the lilies of the field, how they grow; they toil not, neither do they spin:

And yet I say unto you, That even Solomon in all his glory was not arrayed like one of these.—*Matt. vi, 25-29.*

FORTY-FOURTH WEEK.**Monday.****LEARN—**

Wherefore, if God so clothe the grass of the field, which to-day is, and to-morrow is cast into the oven, shall he not much more clothe you, O ye of little faith?

Therefore take no thought, saying, What shall we eat? or, What shall we drink? or, Wherewithal shall we be clothed?

(For after all these things do the Gentiles seek:) for your heavenly Father knoweth that ye have need of all these things.

But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you.

Take therefore no thought for the morrow: for the morrow shall take thought for the things of itself. Sufficient unto the day is the evil thereof.—*Matt. vi, 30-34.*

Lord, I would own Thy tender care,
 And all Thy love to me :
 The food I eat, the clothes I wear,
 Are all bestowed by Thee.
 'Tis Thou preservest me from death,
 And dangers every hour,
 I cannot draw another breath
 Unless Thou give me power.
 My health, and friends, and parents dear,
 To me by God are given ;
 I have not any blessing here,
 But what is sent from heaven.
 Such goodness, Lord, and constant care,
 A child can ne'er repay ;
 But may it be my daily prayer
 To love Thee and obey.

The heavens declare the glory of God; and the firmament sheweth his handy-work.

Day unto day uttereth speech, and night unto night sheweth knowledge.

There is no speech nor language, where their voice is not heard.

Their line is gone out through all the earth, and their words to the end of the world. In them hath he set a tabernacle for the sun,

Which is as a bridegroom coming out of his chamber, and rejoiceth as a strong man to run a race.

His going forth is from the end of the heaven, and his circuit unto the ends of it: and there is nothing hid from the heat thereof.—*Ps. xix, 1-6.*

Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you:

For every one that asketh receiveth; and he that seeketh findeth; and to him that knocketh it shall be opened.

Or what man is there of you, whom if his son ask bread, will he give him a stone?

Or if he ask a fish, will he give him a serpent?

If ye then, being evil, know how to give good gifts unto your children, how much more shall your Father which is in heaven give good things to them that ask him?

Therefore all things whatsoever ye would that men should do to you, do ye even so to them: for this is the law and the prophets.—*Matt. vii. 7-12.*

And every one that heareth these sayings of mine, and doeth them not, shall be likened unto a foolish man, which built his house upon the sand :
